Remote Message Retrieval

Retrieving messages from a remote location

1. At the main greeting, **either** press ***** and enter your mailbox number **or** have the operator transfer you by pressing **VOICE MAIL** and then ***** , and entering your mailbox number.

2. When prompted, enter your password (if required)followed by **#**
   The default password is **0** (meaning, no password required).
   The phone system will announce the number of new and old messages and play the oldest new message.
